DETAILED ACTION

1. The Art Unit location of your application in the PTO has changed. To aid in correlating any papers for this application, all further correspondence regarding this application should be directed to Group **Art Unit 2646**.
2. This communication is responsive to the claims filed 01/06/2004.

Allowable Subject Matter

3. Claims 1-10 are allowed.

The present invention is directed to a speaker stacking structure. All cited prior art show speaker stacking structures, but none of them teaches that a plurality of locating blocks respectively symmetrically fastened to bearing walls of a speaker, said locating blocks each having a block body, said block body having a mounting face and a bearing face opposite to said mounting face, said mounting face being disposed in contact with said bearing wall of said speaker, said bearing face being disposed in contact with said bearing face of another locating block, a mounting device respectively fastened to said bearing wall of the speaker, and a plughole as claimed. Those distinct features have been included to the sole independent claim and render the application to be allowable.

Conclusion

4. Any comments considered necessary by applicant must be submitted no later than the payment on the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
